

ACTSSL Consil meeting was held last Sunday

[https://www.antscreation.dev/clients/actssl\\_v1.1/](https://www.antscreation.dev/clients/actssl_v1.1/)

was presented to them.

Following suggestions came up.

01. EVENTS PAGE [https://www.antscreation.dev/clients/actssl\\_v1.1/events](https://www.antscreation.dev/clients/actssl_v1.1/events)

# Need to Highlight Or Blink Upcoming events

# Need space in Event page to put the Zoom Link

# Need a space in the EVNT page to put the EVNT FLYER IMAGE (Right hand side column)

# Need a provisions to let candidates to register via the Event page

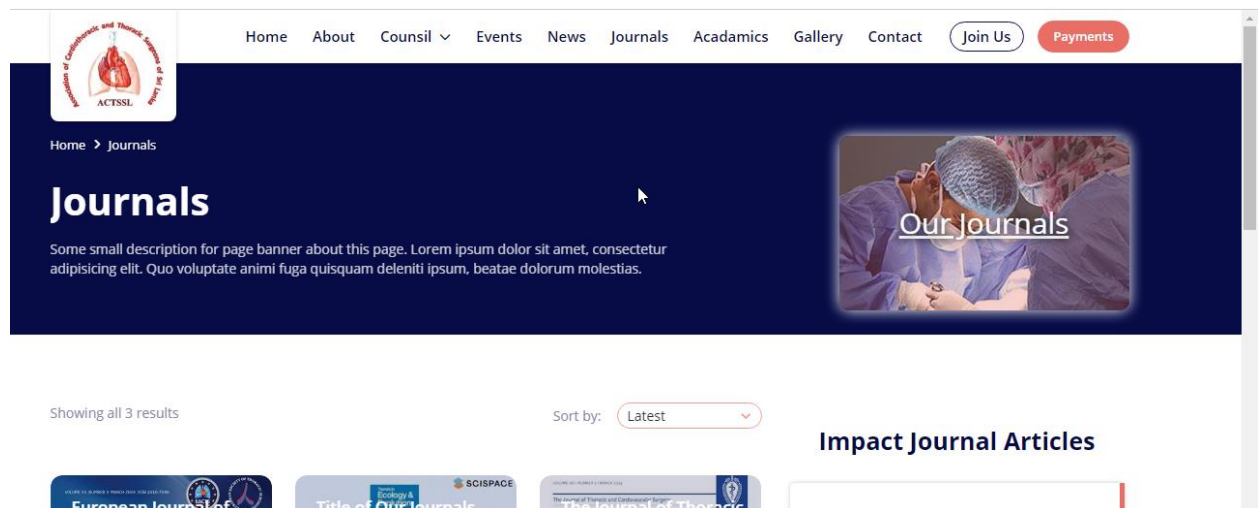

# Need back end provision to gather the data of registered candidates

# Need back end provisions to Limit the number of registered candidates

(If an additional payment is required for this development , please let us know )

02. JOURNALS Page [https://www.antscreation.dev/clients/actssl\\_v1.1/journals](https://www.antscreation.dev/clients/actssl_v1.1/journals)

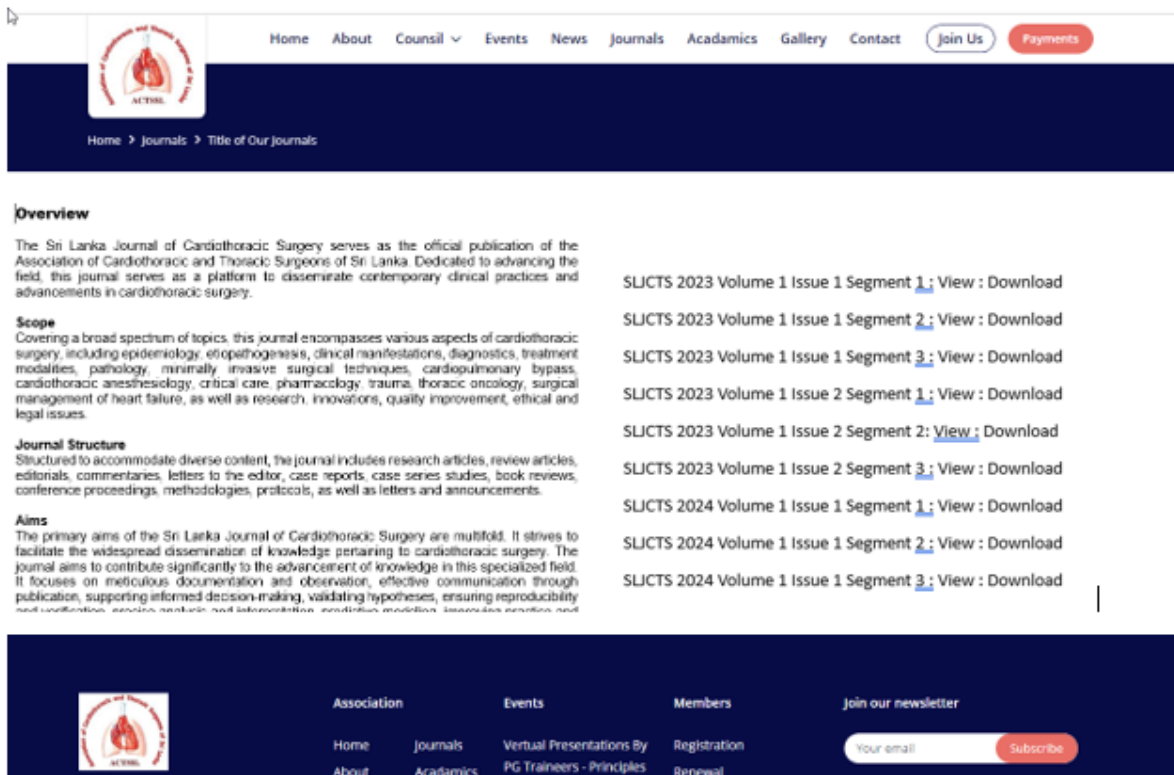

# Our Journal Window should be further highlighted and Blink to get the attention

When you enter into the Our Journal page there should be a access to download our journal in segments

Need back end provision to upload journal segments

Purposed page is like this

03. Academic Page [https://www.antscreation.dev/clients/actssl\\_v1.1/academic-types](https://www.antscreation.dev/clients/actssl_v1.1/academic-types)

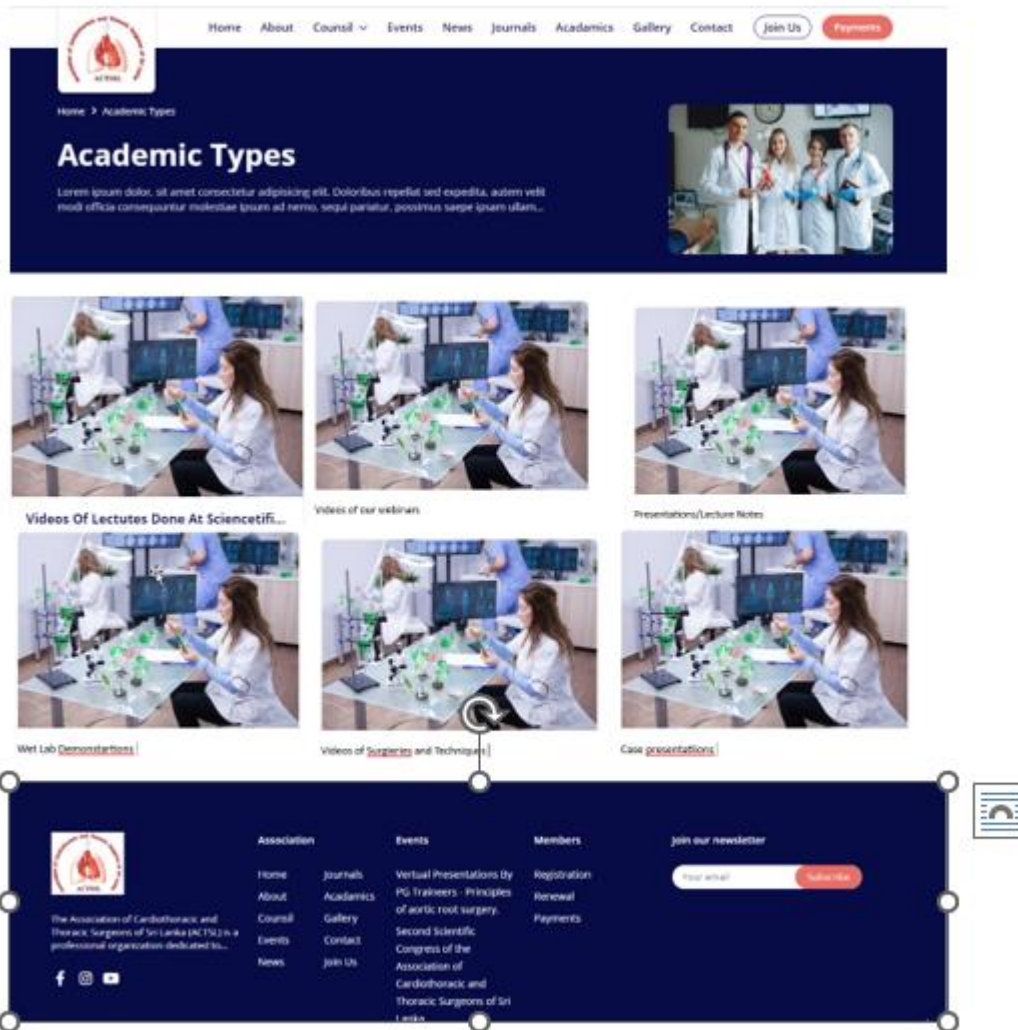

# It should be like this (refer the image)

# Each tile/window should open into a list of videos/PP slide show /voice Recording

# Youtube videos from our channel to be embedded hear

# Baack end provisions to be there to embed /upload or delete content

# Each of these materials should be able to view or download though our site
